

FIT3171 Assignment 1B

Assumptions

Nadeem Emadeldin Hamed Hamed Abdelkader
30146224

- In task 1 (normalisation), for the second form (Animal Doctors Invoice for Professional Services), I chose the key to be animal_id, invoice_date, invoice_time because I made the assumption that it is not possible to have 2 invoices for the same animal generated at the same date and time, so it is in fact unique.
- Assumed that any date is accurate to the minute or second
